the best images Provides suggestions and inspiration with more than 300 full-color photos Covers image editing and output options Features tips, techniques, and projects to help you get the most from your camera's capabilities Canon EOS 5D Mark III For Dummies is the perfect partner for your new dSLR.

Canon EOS 5D Mark IV Instruction Manual. Printed in black and white (not color). 674 Pages. Size 5.5" x 6.5"

The Canon EOS 5D Mark III is the latest in Canon's line of full-frame DSLR cameras. Its impressive array of capabilities and advanced controls allow the photographer ever more influence over the final image. With this comes more menus, buttons, and dials that the photographer must learn how to use to take full advantage of the camera. This book explores the features and capabilities of the 5D Mark III in a way that far surpasses the user's manual. It guides readers through the camera features with step-by-step setting adjustments; color illustrations; and detailed how, when, and why explanations for each option. Every button, dial, switch, and menu configuration setting is explored in a user-friendly manner, with suggestions for setup. The informative text is illustrated with screenshots and example images throughout, making it easy to follow along. Author James Johnson covers everything from the basic features of the camera to the numerous advanced photographic options as he discusses topics such as focus and exposure, lenses, lighting, custom settings, and more. With this book as your guide, you'll learn how to get the most out of this powerful camera.

Guides you step-by-step through the functions on your new Canon EOS 5D Mark III dSLR camera The Canon EOS 5D Mark III full-frame dSLR camera features an impressive 22.3 megapixels, a 3.2-inch LCD screen, 6 fps continuous shooting, Live View, an ISO range of 50 to 102,400 and full HD 1080 resolution movie shooting. Here to help you get the most out of these remarkable features and offering you more in-depth coverage than the standard manual, this full-color Canon 5D Mark III Digital Field Guide provides you with guidance on how and when to use each button, dial, and menu option. Delivering information in an easy-to-understand format, this portable guide features more than 200 inspirational photos by acclaimed photographer and veteran author Charlotte Lowrie. The handy trim size allows this guide to go where you go, providing you with easy access to information quickly so you can get the exact shot you want when you want it. Helps you make the most of your Canon EOS 5D Mark III and get the shots you want Offers full detailed coverage of when and how to use each and every button, dial, and menu option on this sophisticated new dSLR Provides step-by-step explanations on techniques and tips, all aimed at getting you comfortable and confident with your new Canon 5D Mark III Sized to fit in a camera bag, the book includes a bonus gray and color checker card to help you capture perfect white balance and color every time. Ideal reading for both amateur and professional photographers alike, you'll reference Canon 5D Mark III Digital Field Guide again and again.

Each book offers an introduction to a particular digital SLR camera, then explores a number of shooting situations, recommending how to get the best possible shots, in a series where each entry includes full-color photos and tips and information not found in the user's manual.

- Will help owners of this just-released Canon model master the camera's new full 1080p HD video recording mode along with the other outstanding features on this highly innovative compact, full-frame digital SLR camera.
