penetrate the Refle

domestic legal orders,
the sources of

European law interact
with national law. The

Series will explore
how and to what

extent the national
laws of a number of

Member States have
tried to accommodate

European rules and
principles. The Main

Objective of public

in public procurement.

However, other objectives related to environmental and social concerns have always played a role as well. These range from the award of contracts to workshops for the disabled to strict environmental specifications. These 'secondary' or

Download File

PDF Alcatel

'horizontal' objectives, also referred to as 'green procurement', 'sustainable procurement' or 'social procurement', are the subject of this book. The analysis covers the European Union internal market law of green and social procurement with emphasis on the interpretation,
