Amazon.co.uk Best Sellers: The most popular items in ... An audiobook (or a talking book) is a recording of a book or other work being read out loud. A reading of the complete text is described as "unabridged", while readings of a shorter version are an abridgement. Spoken audio has been available in schools and public libraries and to a lesser extent in music shops since the 1930s.

Free Audiobooks on Audible An audiobook is a recording that is primarily of the spoken word as opposed to music. While it is often based on a recording of commercially available printed material, this is not always the case. It was not intended to be descriptive of the word "book" but is rather a recorded spoken program in its own right and not necessarily an audio version of a book.

NATIONAL BESTSELLER | A family returns to their hometown and to the dark past that haunts them still in this masterpiece of literary horror by the New York Times bestselling author of Wanderers | The dread, the scope, the pacing, the turns I haven't felt all this so intensely since The Shining. | Stephen Graham Jones, New York Times bestselling author of The Only Good Indians NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE NEW YORK PUBLIC LIBRARY AND LIBRARY JOURNAL Long ago, Nathan lived in a house in the country with his abusive father and has never told his family what happened there. Long ago, Maddie was a little girl making dolls in her bedroom when she saw something she shouldn't have and is trying to remember that lost trauma by making haunting sculptures. Long ago, something sinister, something hungry, walked in the tunnels and the mountains and the coal mines of their hometown in rural Pennsylvania. Now, Nate and Maddie Graves are married, and they have moved back to their hometown with their son, Oliver. And now what happened long ago is happening again . . . and it is happening to Oliver. He meets a strange boy who becomes his best friend, a boy with secrets of his own and a taste for dark magic. This dark magic puts them at the heart of a battle of good versus evil and a fight for the soul of the family and perhaps for all of the world. But the Graves family has a secret weapon in this battle: their love for one another.

Audio is hot! Is no secret that whether its podcasting or audiobooks, people want to listen to content as much as they want to view it or read it. Get started with recording your own audiobook with this book! This is a complete guide with video instructions that will allow you to record your own audiobook. Helpful resources to outsource your audiobook production if you're not a do-it-yourself person Get on the audiobook bandwagon and learn about recording audiobooks today!

A stunning debut novel with an intriguing literary hook: written in part as a letter from a victim to her abductor. Sensitive, sharp, captivating! Gemma, 16, is on layover at Bangkok Airport, en route with her parents to a vacation in Vietnam. She steps away for just a second, to get a cup of coffee. Ty--rugged, tan, too old, oddly familiar--pays for Gemma's drink. And drugs it. They talk. Their hands touch. And before Gemma knows what's happening, Ty takes her. Steals her away. The unknowing object of a long obsession, Gemma has been kidnapped by her stalker and brought to the desolate Australian Outback. STOLEN is her gripping story of survival, of how she has to come to terms with her living nightmare--or die trying to fight it.

Don't miss this expanded novelization of the action-packed film! Tintin stumbles across a model ship at the Old Street Market. Only it isn't any model ship—it holds a piece of the puzzle to finding the resting place of Red Rackham's treasure! But Tintin isn't the only one after the notorious pirate's booty. With dangerous treasure seekers at their heels, Tintin and his dog Snowy are on a high-stakes thrill ride that takes them from land to sea, from open air to the ocean floor!

THE #1 NEW YORK TIMES BESTSELLER "As you patiently await season two of Only Murders in the Building, cozy up with Lucy Foley's latest whodunnit." -- Parade "Exceedingly clever." -- Booklist From the New York Times bestselling author of The Guest List comes a new locked room mystery, set in a Paris apartment building in which every resident has something to hide! Jess needs a fresh start. She's broke and alone, and she's just left her job under less than ideal circumstances. Her half-brother Ben didn't sound thrilled when she asked if she could crash with him for a bit, but he didn't say no, and surely everything will look better from Paris. Only when she shows up | to find a very nice apartment, could Ben really have afforded this? | he's not there. The longer Ben stays missing, the more Jess starts to dig into her brother's situation, and the more questions she has. Ben's neighbors are an eclectic bunch, and not particularly friendly. Jess may have come to Paris to escape her past, but it's starting to look like it's Ben's future that's in question. The socialite | The nice guy | The alcoholic | The girl on the verge | The concierge Everyone's a neighbor. Everyone's a suspect. And everyone knows something they're not telling.

Histories of the book often move straight from the codex to the digital screen. Left out is nearly 150 years of audio recordings. Matthew Rubery uncovers this story, from Edison to today's billion-dollar audiobook industry, and breaks from convention by treating audiobooks as a distinctive art form that has profoundly influenced the way we read.

The Idiot is the story of a saintly, Christian man who is thrust into the heart of a society more concerned with wealth, power and sexual conquest than with the ideals of Christianity. My intention is to portray a truly beautiful soul.--Fyodor Dostoevsky. A Bantam Classic.

In this brave and heartbreaking novel that digs its claws into you and doesn't let go, long after you've finished it (Anna Todd, New York Times bestselling author) from the #1 New York Times bestselling author of All Your Perfects, a workaholic with a too-good-to-be-true romance can't stop thinking about her first love. Lily hasn't always had it easy, but that's never stopped her from working hard for the life she wants. She's come a long way from the small town where she grew up/she graduated from college, moved to Boston, and started her own business. And when she feels a spark with a gorgeous neurosurgeon named Ryle Kincaid, everything in Lily's life seems too good to be true. Ryle is assertive, stubborn, maybe even a little arrogant. He's also sensitive, brilliant, and has a total soft spot for Lily. And the way he looks in scrubs certainly doesn't hurt. Lily can't get him out of her head. But Ryle's complete aversion to relationships is disturbing. Even as Lily finds herself becoming the exception to his "no dating" rule, she can't help but wonder what made him that way in the first place. As questions about her new relationship overwhelm her, so do thoughts of Atlas Corrigan/her first love and a link to the past she left behind. He was her kindred spirit, her protector. When Atlas suddenly reappears, everything Lily has built with Ryle is threatened. An honest, evocative, and tender novel, It Ends with Us is a glorious and touching read, a forever keeper. The kind of book that gets handed down. (USA TODAY)

A New York Times Bestseller In this spellbinding exploration of the varieties of love, the author of the worldwide bestseller Call Me by Your Name revisits its complex and beguiling characters decades after their first meeting. No novel in recent memory has spoken more movingly to contemporary readers about the nature of love than André Aciman's haunting Call Me by Your Name. First published in 2007, it was hailed as [a] love letter, an invocation . . . an exceptionally beautiful book (Stacey D'Erasmo, The New York Times Book Review). Nearly three quarters of a million copies have been sold, and the book became a much-loved, Academy Award-winning film starring Timothée Chalamet as the young Elio and Armie Hammer as Oliver, the graduate student with whom he falls in love. In Find Me, Aciman shows us Elio's father, Samuel, on a trip from Florence to Rome to visit Elio, who has become a gifted classical pianist. A chance encounter on the train with a beautiful young woman upends Sami's plans and changes his life forever. Elio soon moves to Paris, where he, too, has a consequential affair, while Oliver, now a New England college professor with a family, suddenly finds himself contemplating a return trip across the Atlantic. Aciman is a master of sensibility, of the intimate details and the emotional nuances that are the substance of passion. Find Me brings us back inside the magic circle of one of our greatest contemporary romances to ask if, in fact, true love ever dies.

#1 NEW YORK TIMES BESTSELLER | A panoramic experience that tells the story of Beastie Boys, a book as unique as the band itself by band members ADROCK and Mike D, with contributions from Amy Poehler, Colson Whitehead, Wes Anderson, Luc Sante, and more. The inspiration for the Emmy-nominated Apple TV+ live documentary! Beastie Boys Story, directed by Spike Jonze NAMED ONE OF THE BEST BOOKS OF THE YEAR BY Rolling Stone | The Guardian | Paste Formed as a New York City hardcore band in 1981, Beastie Boys struck an unlikely path to global hip hop superstardom. Here is their story, told for the first time in the words of the band. Adam (ADROCK) Horowitz and Michael (Mike D) Diamond offer revealing and very funny accounts of their transition from teenage punks to budding rappers; their early collaboration with Russell Simmons and Rick Rubin; the debut album that became the first hip hop record ever to hit #1, Licensed to Ill and the album's messy fallout as the band broke with Def Jam; their move to Los Angeles and rebirth with the genre-defying masterpiece Paul's Boutique; their evolution as musicians and social activists over the course of the classic albums Check Your Head, Ill Communication, and Hello Nasty and the Tibetan Freedom Concert benefits conceived by the late Adam (MCA) Yauch; and more. For more than thirty years, this band has had an inescapable and indelible influence on popular culture. With a style as distinctive and eclectic as a Beastie Boys album, Beastie Boys Book opens the typical music memoir. Alongside the band narrative you will find rare photos, original illustrations, a cookbook by chef Roy Choi, a graphic novel, a map of Beastie Boys' New York, mixtape playlists, pieces by guest contributors, and many more surprises. Praise for Beastie Boys Book | A fascinating, generous book with portraits and detail that float by in bursts of color . . . As with [the band's] records, the book's structure is a lyrical three-man weave. . . Diamond's voice is lapidary, droll. Horowitz comes on like a borscht belt comedian, but beneath that he is urgent, incredulous, kind of vulnerable. . . Friendship is the book's subject as much as music, fame and New York. | The New York Times Book Review | Wild, moving . . . resembles a Beastie Boys LP in its wild variety of styles. | Rolling Stone
