Who doesn't love apples? Grown, harvested and eaten for centuries, apples play an important role in everyday life and are enjoyed in a huge variety of ways. Author James Rich hails from apple country in Somerset, England, where his family own a cider farm. Apples, it could be said, are in his blood, this is a collection of over 90 of his best-loved recipes. Try your hand at a summery Crunchy apple, cherry and kale salad, a comforting Slow-roasted pork belly and pickled apple, and an Ultimate apple crumble, all washed down with a Cider and thyme cocktail. James uses whole apples as well as cider, apple juice, cider brandy and cider vinegar to add depth to his dishes Apples can be delicate and complementary, floral and simple or they can be bold, sharp and stand out from the crowd. Set to the backdrop of his is family's stunning apple, Apple is a celebration of this humble fruit.

A woman suffering from anorexia struggles to understand the cause of her eating disorder and, more importantly, becomes determined to stop starving and start living. I haven ' t tasted chocolate for over ten years and now I ' m walking down the street unwrapping a Kit Kat . . . Remember when Kate Moss said, "Nothing tastes as good as skinny feels"? She ' s wrong: chocolate does. At the age of thirty-three, after ten years of hiding from the truth, Emma Woolf finally decided it was time to face the biggest challenge of her life. Addicted to hunger, exercise, and control, she was juggling a full-blown eating disorder with a successful career, functioning on an apple a day. Having met the man of her dreams, and wanting a future and a baby together, she decided it was time to stop starving and start living. Honest, hard-hitting, and spoken from the heart, An Apple a Day is a manifesto for the modern generation to stop starving and start living.

Gravenstein. Coe ' s Golden Drop. Mendocino Cox. The names sound like something from the imagination of Tolkien or perhaps the ingredients in a dubious magical potion rather than what they are—varieties of apples. But as befits their enchanting names, apples have transfixed and beguiled humans for thousands of years. Apple: A Global History explores the cultural and culinary importance of a fruit born in the mountains of Kazakhstan that has since traversed the globe to become a favorite almost everywhere. From the Garden of Eden and Homer ' s Odyssey to Johnny Appleseed, William Tell, and even Apple Computer, Erika Janik shows how apples have become a universal source of sustenance, health, and symbolism from ancient times to the present day. Featuring many mouthwatering illustrations, this exploration of the planet ' s most popular fruit includes a guide to selecting the best apples, in addition to apple recipes from around the world, including what is believed to be the first recorded apple recipe from Roman gourmand Marcus Apicius. And Janik doesn ' t let us forget that apples are not just good eating; their juice also makes for good drinking—as the history of cider in North America and Europe attests. Janik grew up surrounded by apple iconography in Washington, the “ apple state, ” so there is no better author to tell this fascinating story. Readers will eat up this surprising and entertaining tale of a fruit intricately linked to human history.
