Calculus for the Life

Sciences - Marvin L.

Bittinger, Neal ...

My calculus teacher is just

as cryptic and I'm left

searching around for answers

in other places. Luckily I

found some free calculus

books in the math department

so I have those as well as

other calc. books. I have in

front of me 5 calculus books

and this one would be the

last one I would reach for.

I only look at it for the

homework problems.
