Oxford IB Diploma Programme: Mathematics Standard Level ...

Most of the content can be found in any A-level textbook, but the IB courses (3 levels) each has something quite different and, even when the topic is the same, sets different styles of question. We have all three in the series (Mathematical Studies, Mathematics Standard Level, and Mathematics Higher Level).

This book, which has been written for the new IB diploma standard level syllabus, may certainly be used in this manner. Like the HL book, which I have already reviewed, it is very well written, in that student friendly style that those familiar with the Edexcel books will recognise. Again, like the HL book, it offers lots of interesting investigations and asides, and the end of each chapter ...
