aquarium hobby by storm around 10 years ago, freshwater shrimp have been a staple in aquarist's tanks.

For beginners, the preferred size of the shrimp tank is 10 to 20 gallons.

Acces PDF Shrimp Aquarium A Complete

Furthermore, a sponge filter is the best recommendation for shrimp tanks; the other option could be a corner box filter. Other than this, buyers should also check the type of filter. It should not be too strong because such an arrangement can harm the small shrimp species.
