Many of us dream of having a life free from rent, mortgages and utility bills and for some this dream is being achieved by living in a tiny house. Small, compact buildings offer an appealing way to live more sustainably, providing smart, energy-efficient housing at low cost; a route to escaping the financial shackles of long-term debt. Living Big in a Tiny House celebrates the diversity of tiny houses, and explores many of the innovative living solutions that tiny house-builders have developed in response to the challenges of smaller spaces. The author, Bryce Langston, has a significant international following through his YouTube channel, and devotes himself full-time to meeting tiny-house owners and discovering their stories. This book provides a fascinating look into the rapidly growing tiny-house movement, details the author's own tiny-house journey and showcases 40 innovative small-space dwellings from across the US, Canada, Japan, Australia and New Zealand. It is a must-have for anyone interested in living well with less, as well as an invaluable source of ideas for builders, designers, and aspiring tiny-house owners.

determine whether it's a good fit for you, and guides you through the transition to a smaller space. For inspiration, you'll meet tiny house pioneers and hear how they built their dwellings (and their lives) in unconventional, creative and purposeful ways. They'll invite you in, show you around their cozy abodes, and share lessons they learned along the way. Inside you'll find everything you need to design a tiny home of your own:

- Worksheets and exercises to help you home in on your true needs, define personal goals, and develop a tiny house layout that's just right for you.
- Practical strategies for cutting through clutter and paring down your possessions.
- Guidance through the world of building codes and zoning laws.
- Design tricks for making the most of every square foot, including multi-function features and ways to maximize vertical space.
- Tours of 11 tiny houses and the unique story behind each.

Tiny House Living is about distilling life down to that which you value most...freeing yourself from clutter, mortgages and home maintenance...and, in doing so, making more room in everyday life for the really important things, like relationships, passions and community. Whether you downsize to a 400-square-foot home or simply scale back the amount of stuff you have in your current home, this book shows you how to live well with less.
