This book is a complete guide to the Sony Cyber-shot DSC-RX10 IV camera. With this book, author Alexander S. White provides users of the RX10 IV with a manual covering all aspects of the camera ' s operation. Using a tutorial-like approach, the book shows beginning and intermediate photographers how to accomplish things with the RX10 IV, and explains when and why to use the camera ' s many features. The book provides details about the camera ' s shooting modes as well as its menu options for shooting, playback, setup, video, Wi-Fi, and special effects. The book covers all features of the RX10 IV that are new for this model, including its enhanced focusing system with phase detection autofocus; its ability to use a touch screen for focusing and enlarging images in some situations; and a variety of new or enhanced menu options. The book includes more than 500 color photographs that illustrate the camera ' s controls, display screens, and menus. The images include photographs taken using the RX10 IV ' s Scene mode, with settings optimized for subjects such as landscapes, sunsets, portraits, and action shots; and its Creative Style and Picture Effect menu options, with settings that alter the appearance of images. The book provides concise introductions to topics such as street photography and infrared photography, and explains how to use the camera ' s Wi-Fi and Bluetooth features to transfer images to a smartphone or tablet, to control the camera from such a device, and to add location information to images. The book includes a full discussion of the video features of the RX10 IV, which can shoot HD and 4K (ultra-HD) movies, with manual control of exposure and focus during recording. The book explains the camera ' s numerous features for professional-level videography, including Picture Profiles that allow adjustment of settings such as gamma curve, black level, knee, and detail. The book describes steps for recording 4K video to an external video recorder using the " clean " video output from the camera ' s HDMI port. In three appendices, the book discusses accessories for the RX10 IV, including cases, power sources, remote controls, microphones and external flash units, and includes a list of websites and other resources for further information. The book includes an appendix with " quick tips " on how to take advantage of the camera ' s features in the most efficient ways possible. This guide to the RX10 IV includes a detailed index, so the reader can quickly locate information about any particular feature or aspect of the camera.

Offers the latest regulations on designing and installing commercial and residential buildings.

A behind-the-scenes look at Lexus ' s surprising twenty-year success story—in a revised new edition In the 1980s, German brands BMW and Mercedes-Benz dominated the luxury car market and had little reason to fear competition from Japan. But in 1989, Toyota entered the market with the Lexus LS 400, a car that could compete with the Germans in every category but price—it was US\$30,000 cheaper. Within two years, Lexus had overtaken Mercedes-Benz in the United States and made a stunning success of Toyota ' s brave foray into the global luxury market. Lexus: The Relentless Pursuit reveals why Toyota decided to take on the German automakers and how the new brand won praise and success for its unparalleled quality, unforgettable advertising, and unprecedented customer service. From the first boardroom planning session to Lexus's entry into the mega-luxury supercar market, this is the complete and compelling story of one of the world's most admired brands. Includes a new Foreword by legendary designer Erwin Lui, an Afterword with updates since the first edition, and a new Coda by leading Japanese automotive journalist Hisao Inoue Covers the racetrack triumph—and tragedy—behind the new US\$375,000 Lexus LFA supercar Offers important business lessons for brand managers and executives For car enthusiasts, business leaders, and anyone interested in branding and marketing, Lexus: The Relentless Pursuit offers an amazing story of excellence and innovation in the automotive industry.

NATIONAL BESTSELLER For John Wooden's millions of fans—a heartfelt and revealing self-portrait about the people and events that shaped his life Sports Illustrated declared: "There has never been a finer coach in American sports than John Wooden. Nor a finer man." ESPN selected him as the "Greatest Coach of the 20th Century." From his birth on an Indiana tenant farm, to All-American honors at Purdue, to his historic record-setting UCLA dynasty, John Wooden is a towering figure in 20th-century sports, and his experience and wisdom an American treasure. In My Personal Best, Coach Wooden tells how he did it and the lessons he learned on his remarkable journey. Pairing never-before-seen photos from Coach Wooden's private collection with his personal stories and affirmations, this book encompasses the dramatic arc of Wooden's larger-than-life achievements and experiences. As he did in his perpetual bestseller Wooden, Coach offers a wealth of biographical details, personal reflections, and a lifetime of lessons. His millions of fans will cherish this definitive pictorial history of a living sports legend. "John Wooden is a living legend because he practiced what he preached—the code of ethics which created America's strength." --Phil Jackson, head coach, Los Angeles Lakers "Most of what I know, what's made me a smart man, has come from John Wooden." --Kareem Abdul-Jabbar, Naismith Basketball Hall of Famer "A man of John Wooden's accomplishments and integrity would stand out in any era, but now, almost three decades after he coached his last game, he is in some ways an even more striking figure." --Bob Costas
